Happy New Year!

**May your headaches be few!
May your heart feel like dancing!**

Routine Maintenance

The lights on our big pecan trees were removed, as they were installed on City of Rockwall property that is being subleased from the City of Dallas. Did you know that our take line is only 15 feet from the front of our lakeside porches? The Board is now taking bids for security lighting to be installed on the lakeside fronts of Buildings 1 through 5.

Bids soon will be taken to replace the milky windows that have broken seals.

Mark Your Calendar!

A "Howdy Neighbor" Bio

Another farewell neighbors message. Joanne and Bob Rauh in Building 5 are moving into a house. They need more room...time to get things out of storage...time for more space for their grandchild...time for a garage. Bob has been a long-time board member and Joanne has been a great neighbor...always doing something for the community. We like to call her Miss Pumpkin Patch. So *bon voyage* and thank you dear friends.

Our next column will feature someone in Building 1 or 2. Any suggestions?

To suggest someone in our community whom you feel should be featured here, please contact your newsletter editor at beaucrow@worldnet.att.net.
